

Kaleidoscope's Gildersome nursery is located 5 miles west of Leeds City Centre just off the main A62 into Leeds and a short drive from the M62. The nursery overlooks the village green and although it is a private nursery, it is part of Gildersome and Drighlington Children's Centre and has an excellent reputation for high quality care and pre-school education. The manager at the Gildersome site is Tracy Clegg who has worked for Kaleidoscope for over ten years. Tracy is proud of the happy atmosphere that every visitor to the nursery comments on and her experienced and well-qualified team. We have a qualified nursery teacher who supports all the staff in ensuring that children's individual needs are provided for.

We love our extended building which is perfect as a nursery and has excellent facilities for learning through play, both indoors and outdoors within the Early Years Foundation Stage (EYFS). We have two main rooms: Pink room for our younger children and orange room for our pre-schoolers. We have a well-equipped outdoor area with both hard and grassed areas which the children access at all times of the day.

Kaleidoscope Gildersome is open from 8.00 am to 6.00pm, 51 weeks of the year, excluding Bank Holidays. We can offer full and part time care and early starts if required. Our nutritious food is home cooked from locally sourced ingredients to provide a healthy, balanced diet for your children. We cater for individual dietary needs and food allergies.
