Lower Wortley

I would like to say a big welcome back to all of our KOOSH children I hope that you all had an enjoyable summer holiday.

I know that the children who attended KOOSH Club had lots of fun as did the staff and we had many lovely comments about our trips and activities from both the children and parents.

For those of you who have joined us this year I would like to take this opportunity to welcome you to KOOSH and we hope you enjoy your time with us.

Holidays

The summer holidays were a huge success and certainly very busy with both Lower Wortley and Burley KOOSH joining up.

Both sites had lots of new starters which we were really happy about. The children enjoyed many new trips and some exciting new activities.

The October Holidays are fast approaching, Please watch for the planning arriving in the post or via your email and please send your forms back to head office or hand them in at club with payment for the sessions you require.

If you have any suggestions for activities or trips that your children would enjoy please speak to Clare or Amy.

Dates for your diary School Training days

Burley St. Matthias

Monday 15th November 2010
Tuesday 4th January 2011

Kirkstall Valley

Friday 15th October
Rest of Kirkstall Valley training days to follow

Please note that we do offer training day care at a price of £24.00 per session

Farewell

After working for Kaleidoscope for 2 years I, Clare, have decided that it is time to return to my teaching career. My last day will be the 29th October 2010!

I will be remaining on the companies supply list so there is still every chance of me returning Burley.

I would like to take this opportunity to say Thank you to all Children and Parents for making my time at Burley KOOSH so enjoyable and will miss you all! Hope to see you all in the holidays before I start my new adventure.

Themes at KOOSH

We have some very exciting activities planned at KOOSH this term.

The children are very busy at the moment suggesting themes that they interested, the children will also decide on activities they would like to do.

Some suggestions are

Dinosaur Week
Baking Week

A note from the Director Sept 2010

I know I say this every year but where has the Summer gone? KOOSH clubs at all sites have been extremely successful this year with lots of repeat customers who couldn't get enough of our activities and trips. Please book early for October half term to guarantee your child's place. The outside area at our Gildersome nursery is just about complete with a fun day planned at the end of the month to launch it. Gildersome has also had a new smartboard installed which the children love to use. We have similar items on order for our Morley and Acorn nurseries so pre-school children at all our sites will have access to this fantastic piece of IT equipment. Finally, Steve and I would like to offer our warmest congratulations to Ali, Senior Manager for Leeds and her husband, Martin who celebrated their wedding in style last week and are now enjoying their honeymoon in Aruba - Jane

Swap sessions

Please be aware that starting a new term we **WILL NOT** be able to allow anyone to swap sessions as it is causing a lot of confusion at head office when trying to sort invoices.

However if you require an extra session this may be booked through head office or myself but need to be paid for in advance of the session.

As you can appreciate head office look after a lot of nursery and KOOSH sites so trying to figure out who has swapped sessions and what is owed can be a very time consuming task for our head office administrator

Parent's corner

This comment was made by a parent whose son enrolled for the summer holidays at Lower Wortley

Ehaan has really enjoyed his time at KOOSH over the holidays, in fact he's enjoyed it so much we've had to change our summer holiday dates as he doesn't want to miss a week of KOOSH Club

Knowing that Ehaan is enjoying his holidays so much makes it easier going to work knowing he is being well cared for

Sylvie Butt – Ehaan's mum
